Large and beautiful 7" extruded resin vertical supports eliminate top rail rocking and assure maximum strength.
- **Decorative boot included.**
- **Available in 52" sidewalls.**
- **Limited lifetime warranty on all components.**

Pool Frames

No one else comes close. Doughboy pool frames are designed to last. Our frame steel leads the industry in terms of protective layers, coatings and treatments to

provide unmatched protection against corrosion and abrasion.

- **Com-Pac™ II Oval Support System.**
Superior engineering to maximize your pool. No other manufacturer can provide you with the space-saving features of the Com-Pac™ II.
- **Zinc Clad™ 11000 with hot-dipped galvanizing.** Plus numerous protective coatings for protection and corrosion resistance.

Important: Doughboy policy requires all Doughboy pools be installed with a Doughboy liner to guarantee warranty. Misuse of your pool may result in crippling injury and/or other dangers to life and health. Do not dive or jump. Do not use slides, diving boards, or any other platform or object which can be used for improper pool entry. Use only an above-ground swimming pool ladder to enter or exit your pool. It is your responsibility to secure your pool against unauthorized, unsupervised or unintentional entry.

Change of Design: Doughboy Recreational expressly reserves the right to change or modify the design and construction of any product in due course of our manufacturing without incurring any obligation or liability to furnish or install such changes or modifications on products previously or subsequently sold.

Doughboy Recreational is in no way affiliated with any professional pool installer. If you have the pool installed by others, please supervise to be sure they comply with proper installation techniques as shown.

Liner Exclusives

The only above-ground pool manufacturer that produces virgin-vinyl liner material made to original Doughboy specifications. Liners are available in a variety of patterns.

- **Exclusive "True" Expandable Liners** increase pool depth up to 7 feet with an optional Special-Purpose Deep Swimming Area for underwater swimming only.
- **Exclusive Thermo-Seal™ Technology.**
This proprietary fusion method provides superior sealing for maximum durability and quality. Unmatched in the industry. We are so confident with this process that we cover the seams of our liners 100% for a lifetime.
