Pool Specifications

STERLING:

- 9" wrap around steel top rails and 7" steel verticals in a silver tone

STERLING BAY:

- 9" wrap-around resin top rails and 7" steel verticals in a silver tone

Quality Features

- Sophisticated, silver-toned colored resin top connectors.
- 52", hot dipped galvanized copper bearing steel wall in a soft elegant Sterling pattern.
- All oval pools come with space-saver side supports.
- Corrugated pool wall for flexibility and vertical strength.
- Staggered bolt wall closure provides maximum strength and wall stability.
- Large, prepunched skimmer and eyeball return openings eliminate sharp edges that could cut the liner during installation.
- Available in an array of exciting sizes:
Round: 12', 15', 18', 21', 24', 27', 30'
Oval: 20' x 12', 24' x 12', 28' x 16', 32' x 16', 34' x 18', 41' x 21'
- 20 year limited warranty on all pool components. The first two years of the pool product warranty are covered 100% against manufacturer defects. Remainder of each warranty is prorated.

(Optional)
Vertical boot packs available.
See Price Book for details.

Change of Design: Embassy PoolCo expressly reserves the right to change or modify the design and construction of any product in due course of our manufacturing procedures without incurring any obligation or liability to furnish or install such changes or modifications on products previously or subsequently sold.

Important: Misuse of your pool may result in crippling injury and/or other dangers to life and health. Do not dive or jump. Do not use slides, diving boards, or any other platform or object which can be used for improper pool entry. Use only an above-ground swimming pool ladder to enter or exit your pool. It is your responsibility to secure your pool against unauthorized, unsupervised or unintentional entry. Always obey all safety rules. Remember, pool safety is everybody's responsibility.

Embassy PoolCo is in no way affiliated with any professional pool installer. Therefore, Embassy PoolCo can assume no responsibility for errors in installation by the homeowner or said professional pool installer. If you have the pool installed by others, please supervise to be sure they comply with proper installation techniques as shown.
